

1.

Upload the searches to your SystemOne system.

2.

Email SystemOneSetup@tpp-uk.com and ask for 'visualisations' to be enabled. You will need to provide your organisation/practice name and ID.

3.

Once enabled, you can access visualisations by using the 'Search features' search bar located in the lower left-hand corner of the SystemOne screen.

4.

Type 'Launch visualisation' and select the feature.

5.

This will open the 'Select visualisation' page where you can select NWL CKD dashboard for the overview or NWL CKD dashboard or NWL CKD dashboard Patients for the patient list view.
